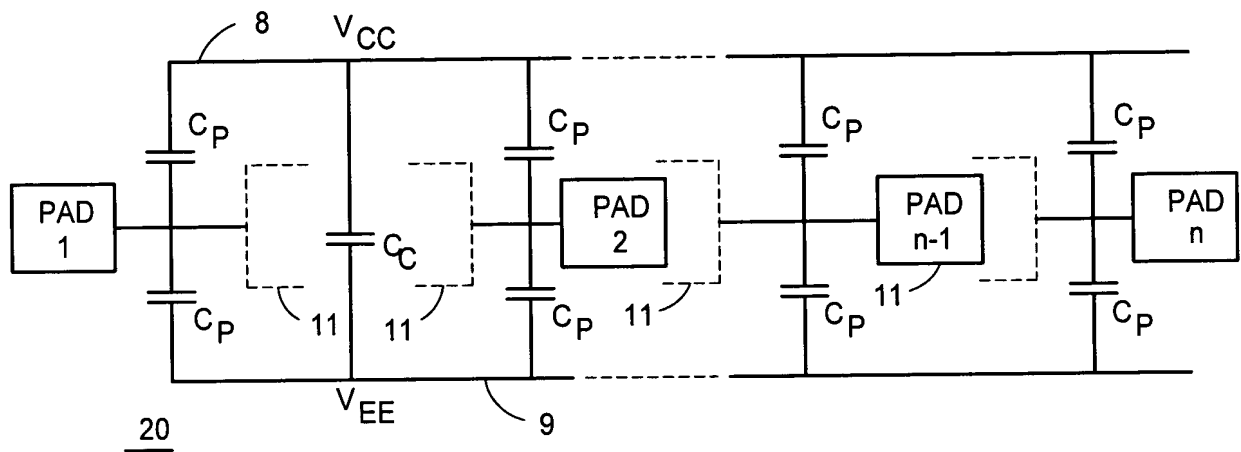

FIG. 3 Prior Art

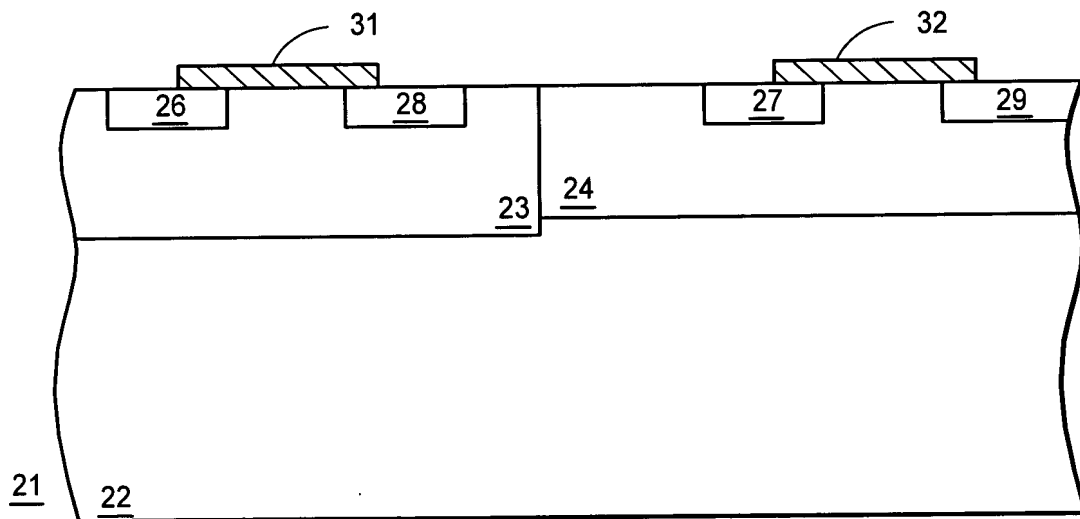

FIG. 4 Prior Art

A cross-sectional view of a device. A central vertical element, labeled 426, is shown with diagonal hatching. It is positioned between two horizontal layers, 413 and 414. Below layer 413 is layer 416, and below that is layer 417. A small rectangular feature, labeled 436, is located on the top surface of layer 414, directly above the central element 426. A label 439 points to the right side of the central element 426.
